

## *Interagency Wild and Scenic Rivers Coordinating Council Training Wild and Scenic Rivers Act: Section 7*

### ***Logistics:***

- Monday, April 23, 2012, 9:30 AM until 4:30 PM
- 2012 River Management Symposium
- Crown Plaza Hotel, Asheville, North Carolina
- Mount Mitchell Room

### ***Presented by:***

- Joan Harn, Mollie Chaudet, Joe Ashor, Cassie Thomas, Hector Santiago, Liz lacy, and Jim MacCartney

### ***Workshop content:***

This one day workshop is focused on Section 7 of the Wild and Scenic Act (WSRA). Through course materials and audience exercises, participants will have the opportunity to increase their knowledge in:

- Definition of a Water Resources Project under Section 7 of the WSRA.
- How to apply Section 7 to state-administered, federally designated rivers; congressionally designated rivers; and congressionally authorized study rivers.
- Evaluation standards for a designated river.
- Roles of federal, state, and local agencies

### ***Who would benefit from participating in this Workshop?***

- Agency staff and leadership with responsibility to manage a wild and scenic river.
- Other key resource staff whose programs contribute to monitoring and protection of values (e.g., fisheries, hydrology, archaeology), or who propose or implement projects within Wild and Scenic River corridors.

### ***Cost:***

- No charge for the Workshop

### ***How to register:***

- Participants need to complete the registration for this workshop when they register for the symposium. If you have questions about this opportunity please contact Mollie at (541) 383-5517.
