

2010 Work Plan accomplishments:

Goal 1- Meetings, Workshops, and Float Trips: A SE Chapter meeting was held at the 2010 Symposia in Portland Oregon chaired by Matt Rice and Joe Robles with eleven SE members attending. We joined with the MW for a float trip on the Buffalo National River.

Goal 2- Publications and Communications: The Chapter webpage is current and contains up-to-date Chapter information. Four SE news articles were published in the *River Management Society Journal*. The fall 2010 edition of the *Journal* focused on the SE and contained 11 articles submitted by our membership. The SE Chapter's work plans and yearly accomplishments for 2009 were posted to the RMS SE web page and updated in February. Emails promoting both chapter and national activities were sent throughout the year to our membership. The chapter officers met via conference calls during the year.

Goal 3- Education and Promotion: Personnel of the SE Chapter have worked to educate and promote the RMS and the SE Chapter by submitting RMS Journal articles, by promoting the organization in their work place, and by attending and speaking at various trainings and conferences.

Goal 4- Membership: As of September 1, 2010, we had 21 current/paid in full members. Our SE members serving on RMS national committees include; Steve Reed, serving on the Public Policy Committee, Lee Larson serving as the RMS national treasurer and Elaine Mayer serves as the RMS national secretary.
