

## Green River (Lodore Canyon)

**Application Process:** Applications for the lottery will be accepted December 1 - January 31 through [www.recreation.gov](http://www.recreation.gov). Successful applicants will be notified on February 16 and must confirm their reservation no later than March 1. High use season is May 13 - September 14. (2nd Monday in May to the 2nd Friday in September, dates will change year to year).

Low-use, single-day trips, and any unclaimed high-use trips will be available for reservation beginning March 1 on [www.recreation.gov](http://www.recreation.gov).

### **Fees:**

\$15.00 non-refundable application fee

\$20.00 Permit fee for single-day trips

\$185.00 Permit fee for multi-day trips (maximum four days)

\$35.00 over-length fee (for one additional day) is applicable only during high-use season and is due with permit fees.

\$20.00 per vehicle Park Entrance fee (unless you have a valid Federal Park pass)

If the trip is picked up after the lottery process and is less than 30 days away, the \$185 permit fee must be paid at the time of booking.

**Cancellations:** If you cancel a lottery launch reservation after payment of fees has been made, we will refund your payment if the cancellation is made more than 30 days prior to launch date, less the \$15.00 application fee.

There are no refunds for a cancellation within 30 days of the launch date or after the permit has been issued.

All cancellations must be made by either logging onto your Recreation.gov account or by calling or emailing the Dinosaur National Monument River Office. You must reference your permit number to make a cancellation. Cancelled permits will be made available to the public randomly within 24 hours.

**Additional Information:** A person can only hold one permit in their name at a time. All noncommercial participants are limited to a maximum of one high-use trip per year through any portion of the multi-day section of the Green or Yampa Rivers within Dinosaur National Monument. Maximum group size is 25 persons.

**Play Permits:** A permit is required to boat into the monument from above Gates of Lodore or Deerlodge. Play permits for launches above these locations are issued at the River Office or at the Quarry Visitor Center, seven miles north of Jensen, Utah. This play permit allows groups to launch upstream of Dinosaur National Monument to begin their multi-day trip through the monument. One play permit each day will be issued for groups who wish to take out at Lodore or Deerlodge after 2 pm.

A separate play permit is required for rafting the Green River below the Split Mountain boat ramp. Play permits for rafting below Split Mountain are free and are issued at the River Office or at the Quarry Visitor Center, seven miles north of Jensen, Utah. No advanced reservations are necessary. Each play permit is good for groups as large as 25 people. Boaters may take out at Placer Point (small craft only -

duckys and kayaks - no rafts) or farther downstream. The Green River Campground is not a take-out or put-in location. Much of the land downstream of the monument boundary is private land; boaters are responsible for knowing local rules and regulations for take-out points outside the monument.
