

Why I Do This

The
Freshwater Trust®
Changing the course of conservation

Joe Whitworth, President

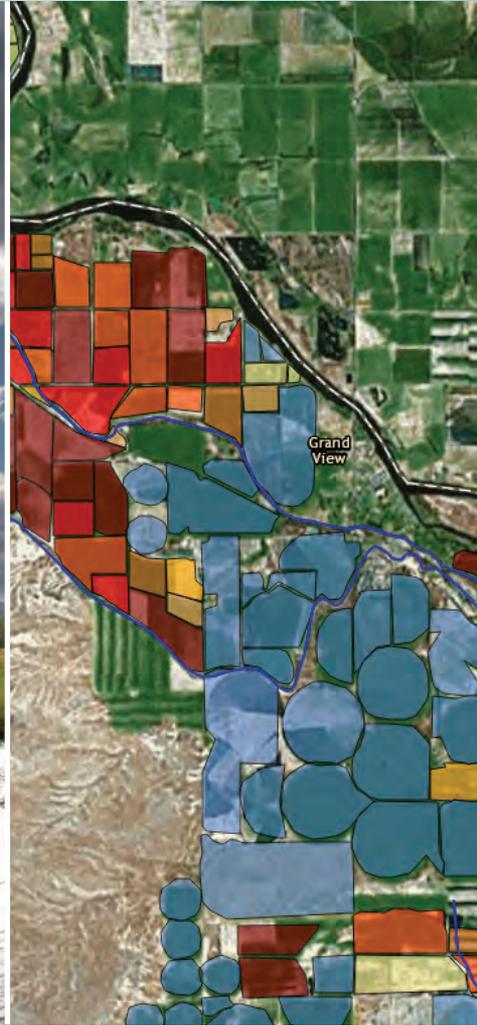

Fixing Rivers

Wild fish

Stream flow

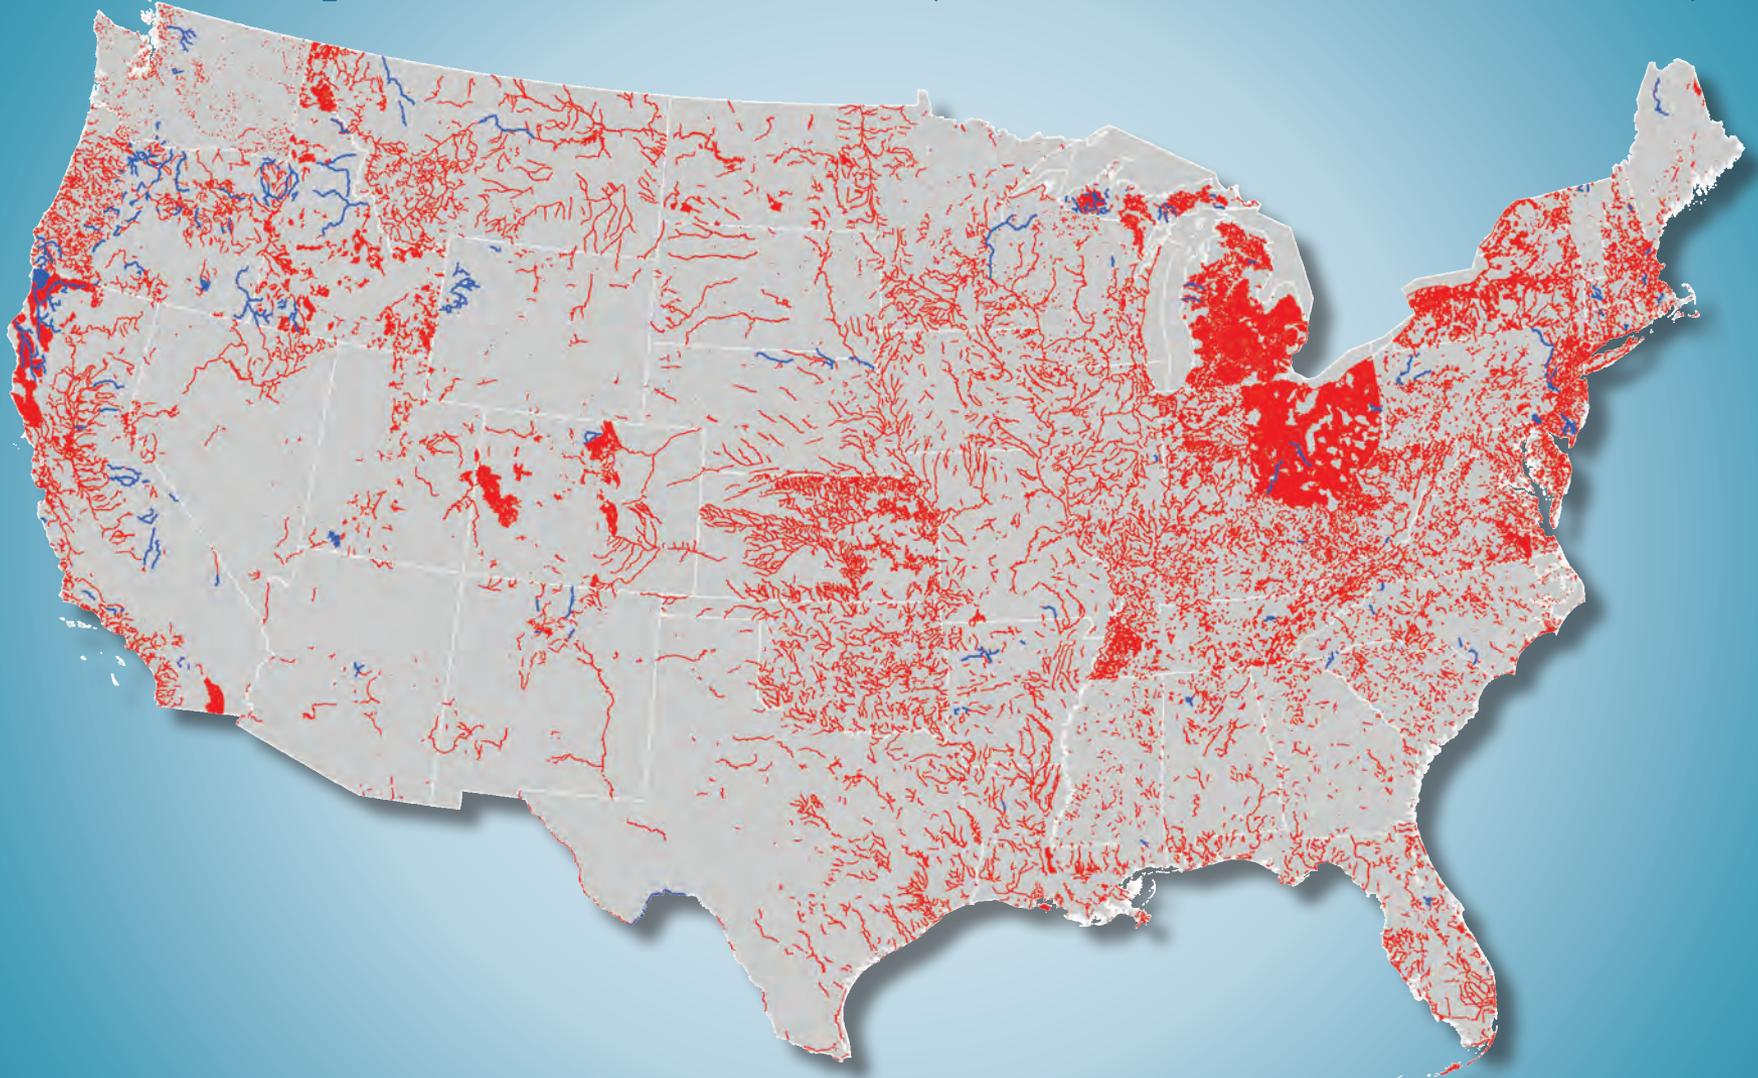

Water intelligence

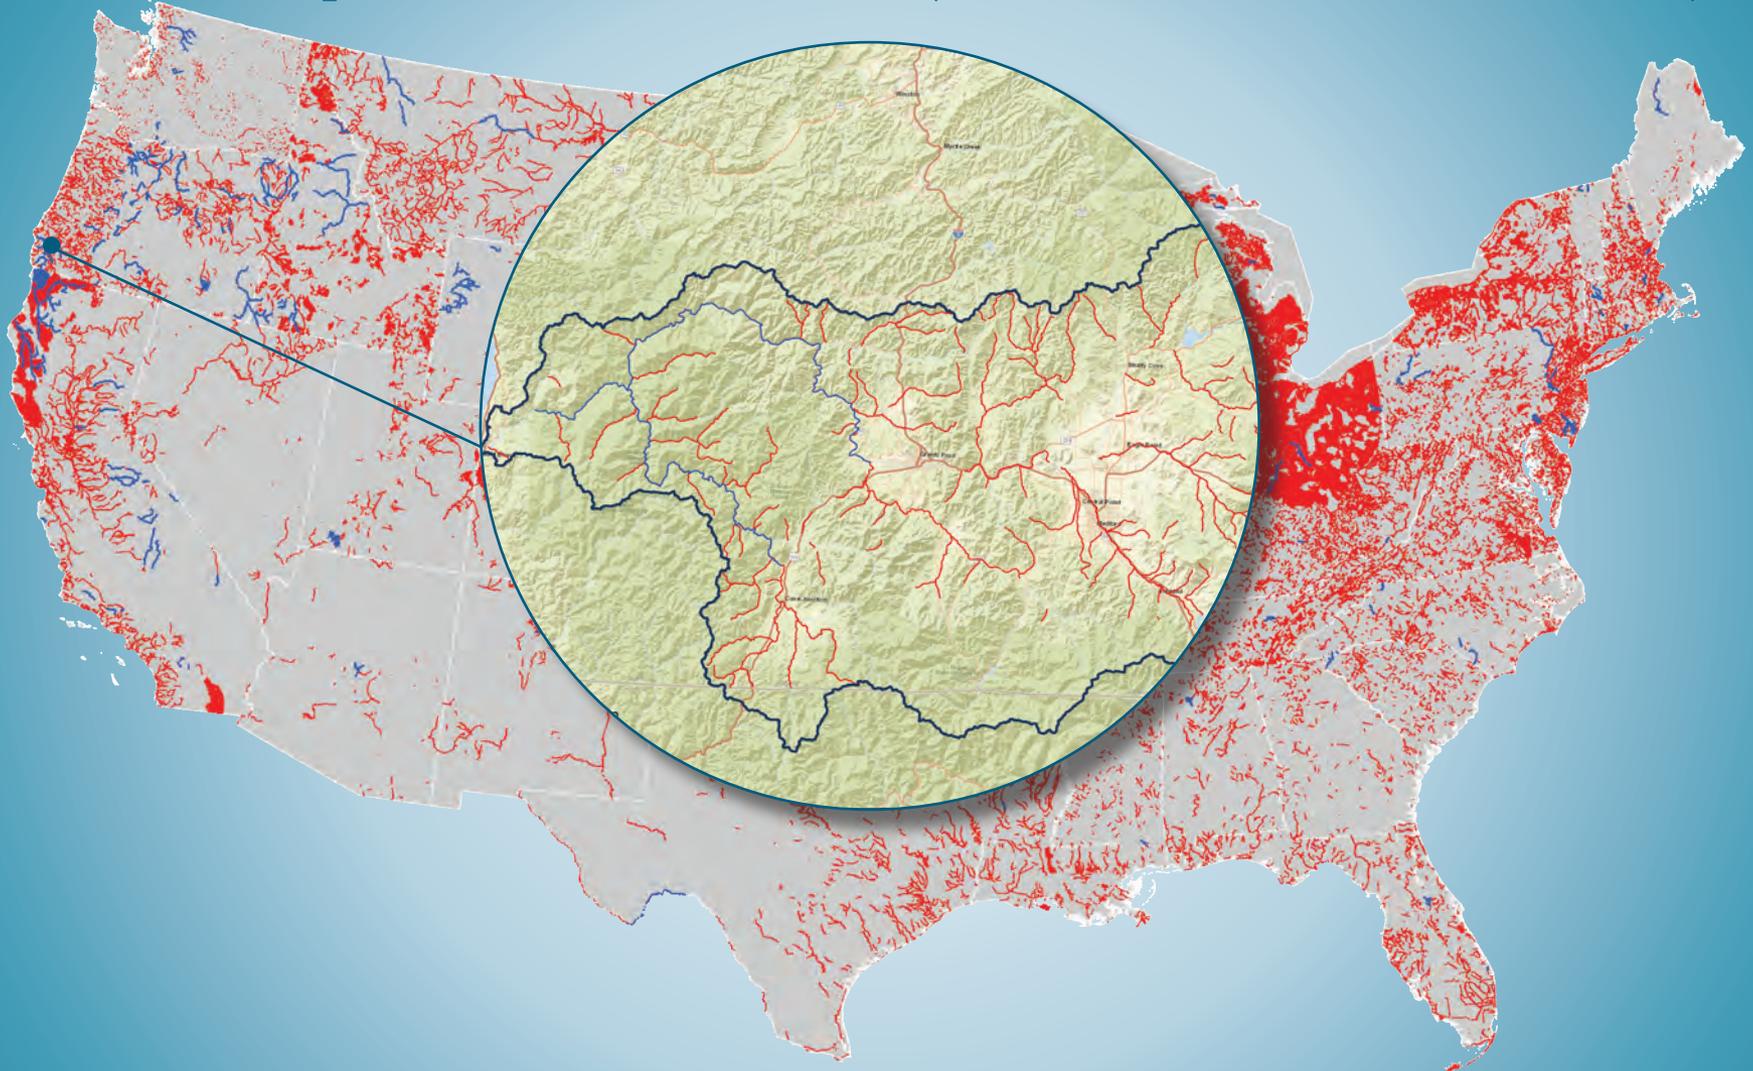

Watershed scale

U.S. Impaired Waters (and Wild & Scenic)

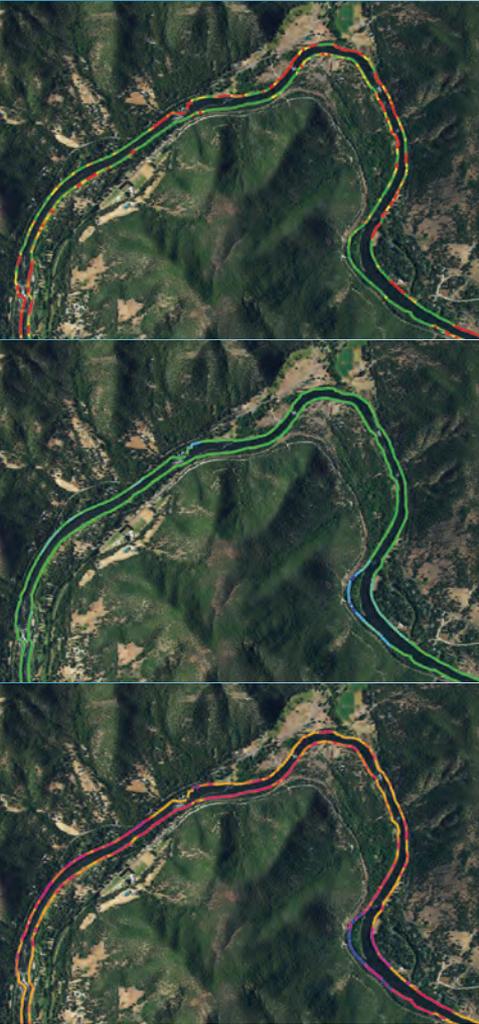

- Wild and Scenic river — “Outstanding natural, cultural and recreational values in a free-flowing condition”
- 303(d) listed river — Not “fishable, swimmable or drinkable”

U.S. Impaired Waters (and Wild & Scenic)

- Wild and Scenic river — “Outstanding natural, cultural and recreational values in a free-flowing condition”
- 303(d) listed river — Not “fishable, swimmable or drinkable”

Rogue: Wild, Scenic & Functional

- U.S. Forest Service
- Bureau of Land Management
- Bureau of Reclamation
- City of Ashland
- City of Medford
- Oregon Dept. of Transportation
